

WHAT FLYING MAY LOOK LIKE AFTER LOCKDOWN

- 1** Staggered flights to avoid overcrowding at airports

- 2** Reporting 2 hours before flight timing; armed with protective gear like masks, gloves, sanitisers

- 5** Social distancing at check-in counters with markings

- 7** No meals

- 3** Dedicated staff with thermometers at all entry points and gates

- 4** Sanitising tunnels at airport entry points for passengers and employees

- 6** A vacant seat between every 2 passengers

For passengers undergone home/hospital quarantine in the last one month

- Declaration of the quarantine at check-in
- Screening at earmarked/isolated security check unit — separate x-ray for baggage and frisking booths
